

Short Stories OF THE TOWN

Cloud Member of Board.

At a meeting of the board of education yesterday, W. T. Cloud, former county treasurer, was selected as a member to succeed D. H. Austin who resigned. The latter has moved to Oklahoma City. The only other business coming before the board was the allowance of bills.

Sunday on the Farm.

Leonard Hawn and Ross Cox will leave this evening, provided the weather moderates, for the peanut farm which Mr. Hawn owns down on the Red river directly north of Wichita Falls. A Sunday spent in feasting on the succulent goober is anticipated by each of the gentlemen.

To College Mound.

County Superintendent Shepard left at 3 o'clock this afternoon for the school at College Mound in the southern part of Grady county. This school is being taught by E. Brightwell who has recently perfected the organization of one of the most successful moonlight schools in Grady county.

Cupid's Christmas Gifts.

Mrs. Edna T. Watkins of the court clerk's office states that the "do your Christmas shopping early" spirit seems to have broken loose in the marriage license department of that office. In support of this assertion, Mrs. Watkins cites that seventeen happiness-permits were issued during the first ten days in December.

Now Self Supporting.

According to the report of the Chickasha police judge the city's police department is now self-sustaining. During the month of November there was collected in fines in the police court \$780 and the expenses of operating the department, including the salaries of patrolmen, the salary of desk sergeant and the board of prisoners amounted to \$549.90.

The Clock Committee.

For fear any and all clock agents may lose out in the matter of finding the proper committee with whom to do business in the matter of the new city time announcer, the Man on the Street went out of his way to ascertain the personnel of that committee. Dick Cavett, chairman, with J. C. Neal and O. U. Linn, vice-presidents. Mr. Cavett will take particular delight in talking clock to any one with a timepiece of any description for sale.

Payne Brothers Open.

Payne Brothers opened their new restaurant on the north side of Chickasha avenue between Second and Third streets today. The establishment will be first-class in every particular and all the boys now need seems to be a suitable name. However, they are not permitting that to worry them much, but are offering a neat little premium to the one who suggests a suitable and a winning name. "Beanery," "Feedtrough," "Gem," "Dinnerhorn," and such non-expressive names eliminated.

Weather Just Right for Sausage.

But Gibbs, undersheriff of Grady county, left for his home near Alex on the late homeback route yesterday afternoon. Mr. Gibbs saddled up and departed for the farm just as the thermometer began to show its fine Italian hand by dropping 36 degrees in 40 minutes. By way of explanation, just as he swung his right leg over the saddle's cantle, Mr. Gibbs stated to his fellow officers at the jail he had been waiting and longing and hoping for the weather to get cold enough to enable him to kill a bunch of three hundred-pound corned hogs, which have been eating their heads off for the past several weeks. Information states that Mr. Gibbs has promised the bunch of brother officers at the jail a big feed of sausage when he returns the first of the coming week.
